Hi Karrie,

I've attached it as a file to this email, rather than as a OneDrive file. Let me know if you have any trouble opening it.

Hi Cathy- I can't seem to open this document. Would you be able to send it as a document attachment instead of a OneDrive doc? I'm not sure if that's what's causing problems on my end.

Thank you,
Karrie

Hi Rick,

We had a few follow up questions on the Clarksburg paper. Jennifer has asked that we provide an updated document by Tuesday afternoon. I've attached the document with questions in comment bubbles. Let me know if you'd like to have a quick call. I can move or step out of any of my meetings Tuesday morning, if there's a time that works best for you. Ron is out on Tuesday, and I was out on Friday, so apologies if I missed anything in the hand off.

Hi, Jennifer.

This is in follow up to our conversation a little while ago. If there are questions or suggestions, please let us know. Best bet for the more detailed questions is to include me, Karrie Crumlish and Rick Rogers (ECAD). Karrie and Rick are coordinating closely internally as well as with WVDHHR on this issue.

Thanks,
Cathy
